## Notes

### **PURPOSE:**

A heavy snowstorm can easily cost a major airport a quarter of a million dollars for snow and ice removal alone. Associated operating delays commonly multiply the cost, and the value of the time lost by air travelers is practically incalculable – but very real, nevertheless.

Fortunately, these costs and delays can be minimized by sound strategies, effective equipment and efficient techniques for coping with snow, slush and ice. These elements are exactly what the annual International Aviation Snow Symposium is all about.

### **REGISTRATION:**

\$250.00 Registration on or before April 1st  
\$275.00 Registration Fee after April 1st  
\$275.00 All Invoices/Purchases Orders  
\$125.00 Spouses' Program  
\$100.00 per day

### **PASSPORTS:**

To our foreign visitors: If you plan on attending the Niagara Falls Tour or Spouses' Program, **PASSPORTS WILL BE REQUIRED**. U.S. citizens must bring a valid Birth or Naturalization Certificate and a driver's license or some other form of government issued identification.

### **ATTIRE**

Most attendees wear casual clothes to sessions and workshops. For the more formal events (the Ice Breaker, Balchen/Post Awards Luncheon and the Farewell Banquet), participants may want to wear sport coats and ties. If you're attending the tour of the Niagara Falls, please dress comfortably and bring along something warm in case of cool/damp weather.

### **LOCATION:**

HYATT REGENCY BUFFALO  
2 Fountain Plaza  
Buffalo NY 14202  
(716) 855-4943  
(Located in the heart of downtown Buffalo)

### **NO SMOKING**

New York State regulations prohibit smoking in public meeting areas. Please refrain from smoking during all sessions.

## REGIONAL BASIC AND ADVANCED AIRPORT SAFETY AND OPERATIONS SPECIALIST SCHOOLS

April 21-22, 2007 • Buffalo, New York • Mtg. #070415 & #070411

In the continual effort to present affordable airport training programs, the American Association of Airport Executives (AAAE) and the Northeast Chapter AAEE are pleased to present both **Basic and Advanced Airport Safety and Operations Specialist (ASOS) Schools, to be held April 21-22, 2007**, in Buffalo, New York. These schools are for Northeast Chapter members, International Aviation Snow Symposium attendees and all other airport operations personnel in the Northeast region.

### WHO SHOULD ATTEND?

Since 1989, ASOS Schools have become a regular and recurring part of virtually every airport's training program for operations personnel. Taught by airport industry professionals, this course is designed to make the individual aware of the Part 139 airport certification program and other safety responsibilities, as well as to enhance the professionalism of airport operations personnel. These professional schools are specifically tailored for airport personnel responsible for the day-to-day operations of public-use and shared-use airports throughout the United States.

### Basic ASOS School

The following topics will be addressed at the **Basic ASOS School**. Topics are subject to change:

- FAR Part 139: Certification & Regulations
- Airport Certification Manual and Self-Inspection
- ARFF Requirements and Emergency Planning
- Wildlife Management
- Winter Operations
- NOTAMS
- Introduction to Addressing Case Studies

### Advanced ASOS School

The Advanced ASOS School is designed for individuals who have either attended an earlier ASOS School or have at least three years of experience in airport operations. The school uses fewer prepared presentations and more problem-solving workshops, role-playing scenarios and breakout groups so that all attendees can actively participate in the proceedings. Best management practices and lessons learned by participating airports are encouraged to be discussed during the breakout sessions.

The following topics will be addressed at the **Advanced ASOS School**. Topics are subject to change:

- Airport Safety Hazard and Risk Assessment
- FAR Part 77
- Airport Systems, Design and Layout
- Marking and Lighting
- Construction Activity & NOTAMS
- Terminal Building Operations

Each school will be held at the Buffalo Convention Center, which is adjacent to the Hyatt Regency Buffalo, Two Fountain Plaza, Buffalo, NY 14202, phone: (716) 856-1234, fax: (716) 852-6157. Registration for both schools will open at 7 a.m. on Saturday, April 21. Sessions begin at 8 a.m. and conclude at approximately 12 p.m. on Sunday, April 22. Registration fees include all handout materials, coffee breaks and one lunch. Dress will be business casual for all sessions.

Judging will be by ballot during the Snow Symposium. First place will receive \$200, second place will receive \$100 and third place will receive \$50.

2. An actual example of the IDEA – said example will be limited to size of not more than two-thirds of the poster board surface.
