Benny Benedyk
U.S. Department of Defense

Once again the INTERNATIONAL AVIATION SNOW SYMPOSIUM will sponsor the BALCHEN/POST Award for excellence in the performance of airport snow and ice control during the winter of 2009-2010.

The awards will be presented to the personnel of the airport snow and ice control teams who have throughout this past winter demonstrated determination for excellence in their efforts to keep their airports open and safe.

There will be six awards – one to each of the winners in the following categories:

COMMERCIAL AIRPORT – providing scheduled service and holding a Part 139 certificate
(not including a limited Part 139 certificate)

Large: Over 200,000 scheduled operations annually
Medium: 100,000-200,000 scheduled operations annually
Small: Less than 100,000 scheduled operations annually

GENERAL AVIATION AIRPORT – including limited Part 139 certificate airports

Large: 50,000 or more total operations annually
Small: Less than 50,000 operations annually

MILITARY AIRPORT

(The above airport classifications are for award selection purposes only)

Your assistance in helping select potential candidates worthy of consideration is requested. A completed application for your airport should be submitted to the committee at the address below and postmarked no later than March 21, 2010. Airports are encouraged to submit completed applications including their snow plan, airport layout plan and other supporting material before the deadline. Applications also are available on the **Snow Symposium website: www.snows Symposium.org**

The awards – six in total – are to be announced and presented during the Awards Luncheon at the annual International Aviation Snow Symposium to be held in Buffalo, April 28, 2010.
