53rd NEC-AAAE CONFERENCE
Northeast Chapter --- American Association of Airport Executives
Atlantic City, New Jersey : August 13-17, 2011

Hosted by:

Conference Agenda, Activities,
Events, Program Content .. and more!

Welcome to Atlantic City, where Life is a Beach and we're Always Turned On!

Each year, more than 33 million people visit Atlantic City to find there are a million things to do and not nearly enough time to experience it all because Atlantic City is where beautiful beaches meet famous casinos, where celebrity chefs meet upscale shopping, and where the world-famous Atlantic City Boardwalk meets entertainment and nightlife that is "Always Turned On".

A mecca for meetings and conventions, Atlantic City has over 28,000 hotel rooms and several event facilities—including the Atlantic City Convention Center and Boardwalk Hall—for conventions, expos and concerts.

We hope you enjoy this premiere destination throughout your stay for the 2011 NEC-AAAE Conference!

Atlantic City

always turned on™

Atlantic City International Airport provides convenient service to Atlantic City & the Southern New Jersey shore—the region's premiere entertainment destination—and outbound to more than 40 exciting destinations.

ACY offers low-cost parking, significantly less wait time and with no congested airspace or air traffic delays, we get travelers to their destination on time.

Did you know ACY has the lowest average fares in America three years in a row? That's according to the US Department of Transportation's report among top 100 U.S. airports.

With passengers up nearly 32% over the previous year, the trend continues as more people are discovering how convenient it is to FLY ACY!
