

2018-2019 Balchen/Post Awards

Outstanding Achievement in Airport Snow and Ice Control

At the 53rd Annual International Aviation Snow Symposium on April 29th 2019 in Buffalo, NY; awards were presented to the “Snow Crews” of the airports for their dedicated efforts in maintaining their airports in safe and operational status during the 2018 – 2019 winter season. This is the 43rd consecutive year that such awards have been presented. All categories of airports – Commercial, General Aviation and Military - compete for these awards.

Applications are submitted by the airport operators on behalf of the local work force in recognition of their efforts in keeping the airports operationally safe at all times. Recommendations for selection may come from the users of airports, airlines, pilots, general aviation, the military and the entire aviation community. In addition, the members of the Awards Selection Committee provide feedback from their own organizations as to the performance of competing airports.
