

Position Title:

Marketing & Communications Specialist

Employer:

Spokane Airports

Description:

Spokane Airports seeks a full-time Marketing & Communications Specialist to join our team. This position supports the planning and implementation of the marketing, communication, and air service development functions for Spokane International Airport, Felts Field, the Airport Business Park, and the Rail-Truck Transload Center. This role focuses on digital content creation, visual storytelling, event coordination, and brand promotion and engagement.

Minimum Requirements:

Minimum requirements include a bachelor's degree and two to five years of related experience. A combination of education and experience may be considered in meeting the requirements of this position.

Salary/Benefits:

Current wage is \$28.77 - \$37.95/hour, depending on qualifications. Current benefits include medical, dental, life and disability insurance, retirement as well as an employee assistance program and employee wellness program. Holiday and accrued sick and vacation time is provided. For the position description, detailed benefits information, and to apply, visit our web site at www.spokaneairports.net. EOE, including disability/veterans.

Submission Deadline:

Position open until filled.
