

Zachary A. Staff, PP, AICP

Zach Staff is a Senior Project Planner and Regional Aviation Planning Manager at McFarland Johnson. Mr. Staff has experience in a variety of aviation planning roles, including the development of Passenger Facility Charge and Airport Improvement Program applications, master planning, airport financial analysis, obstruction analysis, land use compatibility review, and Airports GIS Review. He has experience with federal, state, and local environmental permitting and planning requirements and obtaining regulatory approvals. He also has an extensive background in geographic information systems (GIS), including creation of large amounts of digital data and data analysis. Mr. Staff received a B.A. in Geography from the State University of New York, College at Geneseo and an M.A. in Geography (Urban & Retail Planning) from Binghamton University. He is a member of the American Institute of Certified Planners (AICP) and is a licensed Professional Planner (P.P.) in New Jersey. In addition to his role at MJ, Mr. Staff also teaches at Binghamton University as a part-time adjunct professor.
