

## 2002 Balchen/Post Awards

### Outstanding Achievement in Airport Snow and Ice Control

At the 36<sup>th</sup> Annual International Aviation Snow Symposium on May 1<sup>st</sup>, 2002, in Buffalo, NY; awards were presented to the "snow crews" of the airports in the Snow Belt for their dedicated efforts in maintaining their airports in safe and operational status during the 2001-2002 winter season. This is the twenty-sixth consecutive year that such awards have been presented. All categories of airports - commercial, general aviation and military - throughout the United States and Canada compete for these awards.

The awards were presented to the following airports:

#### Small General Aviation (Less than 50,000 total operations per year)

**Winner:**

Southwest Michigan Regional Airport, Benton Harbor, Michigan

#### Large General Aviation (More than 50,000 total operations per year)
