

2004 Balchen/Post Awards

Outstanding Achievement in Airport Snow and Ice Control

At the 38th Annual International Aviation Snow Symposium on May 12th, 2004, in Buffalo, NY; awards were presented to the "snow crews" of the airports in the Snow Belt for their dedicated efforts in maintaining their airports in safe and operational status during the 2003-2004 winter seasons. This is the twenty eight consecutive year that such awards have been presented. All categories of airports - commercial, general aviation and military - throughout the United States and Canada compete for these awards.

The 2003 - 2004 Awards were presented to the following airports:
